PRINTER DRIVER IMAGE IN PC

The image shows a screenshot of a printer driver window for a SHARP DM-2000 printer. The window has a title bar with 'SHARP' and 'DM-2000'. Below the title bar are four tabs: 'MAIN', 'SHEET', 'DETAIL SETTING', and 'WATER MARK'. The 'SHEET' tab is selected. Inside the 'SHEET' tab, there is a 'SHEET SETTING' section. This section contains a preview of a sheet with a rectangular box and horizontal lines. To the right of the preview are three settings: 'SHEET SIZE' with a dropdown menu showing 'A4' and a downward arrow, a checkbox labeled 'FIT PAGE' which is unchecked, and 'OUTPUT SHEETS NUMBER' with a dropdown menu showing '10' and a downward arrow, followed by the word 'SHEETS'. To the right of these settings is a 'RESET' button. Below the 'SHEET SETTING' section are four buttons: 'OK', 'CANCEL', 'APPLY', and 'HELP'. A curved arrow points from the text 'SET LIMITED OUTPUT SHEETS NUMBER' to the '10' in the 'OUTPUT SHEETS NUMBER' dropdown menu.
